

Dear Parents and Carers

I hope you all had a lovely Easter Holiday. The children seem to have returned well rested and raring to go!

The summer term is always jam packed full of exciting events—Sports Day, the Norfolk Show, Southwold Day, the Talent Show, the KS2 play and the Summer Fair—so look out for further details to follow. Hopefully you already have some of these dates in your diaries.

It is soon time for the Year 6 pupils to sit their SATs, we know this is a stressful time for them but we are focused on reminding them that they are all unique and awesome individuals and that they should not judge themselves by one set of results but by all the amazing things they have done throughout their lives at Primary School. Mrs McClure and I are hoping that their trip to Derbyshire helped them to realise that life is made up of adventures not tests.

Having said that, we wish them all lots of luck—we know they will dazzle and shine because they are all stars.

Simone Goddard

Head Teacher

Year 6 Residential Trip

The Year 6 children had a fantastic week in Derbyshire prior to the Easter holiday. The week was action packed with canoeing, caving, abseiling, weaseling, treasure hunting and an epic hike up Kinder Scout.

Lego Promotion

Thank you to everyone that has sent in Lego tokens for the EDP campaign. May we remind you that this week will be the last week that tokens will be published. Therefore please may we request that tokens are sent in to school no later than Friday 10th May to give us an opportunity to count them. Thank you.

Change of Circumstances

Please may we make you aware that if your financial circumstances change and you receive certain benefits your child may be entitled to Free School Meals. If so, the school then receives additional funding called Pupil Premium funding which can be used to help finance clubs, trips and other educational activities. Please ask at the office for an application form or for further details. All requests will be dealt with discreetly and in the strictest confidence.

Ducks Class Learning Conversations

The grid for appointments is now available to book a slot for either Wednesday 1st May or Thursday 2nd May with Mrs Goddard and Mrs Grant.

Class Photographs

The Tempest Class Photography collection has been arranged for the end of this week. Therefore, please note that orders for class photographs will need to be in school by **Wednesday 1st May** at the very latest. We cannot guarantee that any orders sent into school after this date will be included in the collection and you may incur a postage fee.

PE Kit

Please may we request that PE kits are in school all week as occasionally kits are needed on a non-PE day. This term all the children will participate in a Chance to Shine Cricket and will need to have their PE kits in school every day. Many thanks.

For information and guidance on how to keep your child safe online please visit the school website www.pulhamprimaryschool.org.uk and navigate to the Key Information tab. From here select Forms & Documents under which you will find the e-safety guidance document which will be available to download. There is also a link on the home page. Alternatively you can call into the office and ask for a paper copy.
