

Dear Parents and Carers

The Year 6 children have just finished their SATs—which are statutory assessment tests. The children coped with them brilliantly, they weren't worried by them at all. They all wanted to do their best and that is all we ask of them.

We will get the results in the middle of July and will let you all know how we got on. Last year there was some bad press about our results but it is important to remember that every group of children is completely different, and every child within that group is unique. Your children's education is made up of so much more than the results of tests. We try to offer them all learning opportunities which are exciting and inspiring within a school environment where hope and dreams flourish and where the children believe in themselves and are given the opportunity to surprise themselves and their teachers by what they can do.

I hope you all have a lovely half term holiday and that the sun shines for us all.

Kind regards
Simone Goddard
Headteacher

Pyjamarama Day

We will be taking part in Pyjamarama Day on Friday 7th June to raise funds for the Book Trust charity. For a suggested donation of £1.00, children can come to school in their pyjamas. Parents are welcome to come into school at 2.40pm to share a book.

Mrs Jones and the nurture group are in need of some compost and would be very grateful for any donations. If you are able to help please let Mrs Jones or the office know. Thank you.
