

Dear Parents and Carers

We have had an exciting couple of weeks. Last week was Arts Week when the children learnt about maths in art, learning to appreciate that we find maths in all areas of life.

This week is Science Week and the children are learning about the destruction of habitats, birds and forces linked to the fabulous birds of prey display on Monday.

Last Friday the children had a well-being morning, when they learnt all about healthy eating and how to maintain a healthy life style. On the 21st June the children are having a musical theatre morning, learning dance and songs from Matilda, Annie or the Lion King. (We will be offering this as an after school club in September—further details to follow in the Autumn).

Next Thursday is also Sports Day (weather permitting) and you are all invited to come to school for the morning and to stay to share a picnic lunch with your children at lunchtime.

This term is always very busy and alongside this teachers are spending all their spare time writing reports! A big thank you to all the staff at Pulham, who work so hard to give the children so many wonderful learning opportunities.

Kind regards  
Simone Goddard

## Arts Week

We had a fantastic Arts Week last week where we were looking at the relationship between Art and Maths. We explored among other subjects tessellation, geometry, tiles and Fibonacci spirals.

## Pyjamarama Day

Thank you to all those that came to school in their pyjamas last Friday for the Book Trust Pyjamarama day! We raised £111.20.

## Lost!

We have had some money handed in as lost property. If you believe you have lost some money at school please would you be able to call into the office to reclaim it. Many thanks.

## ParentPay

Thank you to everyone that has already registered with ParentPay. Please may we request that those that haven't yet registered, do so this week so that they are able to pay for upcoming trips including the Norfolk Show. If you are experiencing any difficulties with setting up your account and/or booking meals please come and speak to us. Thank you.

## Birds of Prey

We had some very exciting visitors on Monday as part of Science Week, when Alan Ames came in to give a talk on Birds of Prey. The whole school enjoyed the morning and the chance to see some very special birds including a Barn Owl, Bald Eagle, Harris Hawk and Peregrine Falcon close up!

For information and guidance on how to keep your child safe online please visit the school website [www.pulhamprimaryschool.org.uk](http://www.pulhamprimaryschool.org.uk) and navigate to the Key Information tab. From here select Forms & Documents under which you will find the e-safety guidance document which will be available to download. There is also a link on the home page. Alternatively you can call into the office and ask for a paper copy.
