## Geography Curriculum Progression

Autumn 2019 – Time Travellers, Spring 2020 – Journeys Around the World, Summer 2020 – Sensational Stories

Autumn 2020 – Earth’s Mysteries and Wonders, Spring 2021 – The Island, Summer 2021 – Me and My World

<b>Year 3/4 – Autumn 2019 – Settlements and Land Use, Spring 2020 –the Limpopo River (Geography and Science Focus) , Summer 2020 –Local fieldwork/using a Compass/Locating Worlds Countries</b>	
<b>Autumn 2020 – The Nile -, Spring 2021 – Prehistoric Britain – mountains, Summer 2021 –The Island</b>	
<b>Lower Key Stage 2 - National Curriculum objectives: In this unit, children will be taught to:</b>	
<b><u>Geographical enquiry and skills</u></b> <ul style="list-style-type: none"><li>• Ask geographical questions</li><li>• Observe and record</li><li>• Express their own views about people, places and environments Communicate in different ways including through numerical/quantitative skills, maps and pictures.</li><li>• Communicate understanding through writing at length.</li><li>• Use geographical</li><li>• Use fieldwork skills</li><li>• Use globes, maps, plans at a range of scales</li><li>• Use secondary sources of information</li><li>• Make maps and plans</li></ul>	<b><u>Geographical skills and fieldwork</u></b> <ul style="list-style-type: none"><li>• Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied</li><li>• Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of OS maps) to build their knowledge of the UK and the wider world</li><li>• Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies</li></ul>
<b><u>Locational knowledge</u></b> <ul style="list-style-type: none"><li>• Locate the world’s countries, using maps to focus on Europe and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities.</li><li>• Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features, and land-use patterns; and understand how some of these aspects have changed over time.</li><li>• Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones</li></ul>	<b><u>Human and physical geography</u></b> <p>Pupils will describe and understand key aspects of:</p> <ul style="list-style-type: none"><li>• Physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</li><li>• Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</li></ul>
<ul style="list-style-type: none"><li>• Pupils should extend their knowledge and understanding beyond the local area to include the United Kingdom, Europe and India. This will include the location and characteristics of a range of the world’s most significant human and physical features. They should develop their use</li></ul>	<b><u>Place knowledge</u></b> <ul style="list-style-type: none"><li>• Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a study of Africa/Egypt</li></ul>

**Geography Curriculum Progression**

**Autumn 2019 – Time Travellers, Spring 2020 – Journeys Around the World, Summer 2020 – Sensational Stories**

**Autumn 2020 – Earth’s Mysteries and Wonders, Spring 2021 – The Island, Summer 2021 – Me and My World**

of geographical knowledge, understanding and skills to enhance their locational and place knowledge.

- Understand geographical similarities and differences through the study of places linked to other topic areas, i.e. Egypt, parts of Prehistoric Britain and the Lake District.

**Geography Curriculum Progression**

Autumn 2019 – Time Travellers, Spring 2020 – Journeys Around the World, Summer 2020 – Sensational Stories

Autumn 2020 – Earth’s Mysteries and Wonders, Spring 2021 – The Island, Summer 2021 – Me and My World

<p><b>Year 5/6 – Autumn 2019 – Europe and Britain , Spring 2020 – Darwin/Amazon Caboclo people) Summer 2020 –Comparing Countries</b>  <b>Autumn 2020 – Human Geography, looking at Mexico (Mayans) , Spring 2021 – British Settlements, Summer 2021 The Island</b></p>	
<p><b>Upper Key Stage 2 National Curriculum objectives: In this unit, children will be taught to:</b></p>	
<p><b><u>Geographical enquiry and skills</u></b></p> <ul style="list-style-type: none"> <li>• Ask geographical questions</li> <li>• Collect and record evidence</li> <li>• Analyse evidence and draw conclusions</li> <li>• Identify and explain different views that people, including themselves, hold about topical geographical issues</li> <li>• Communicate in ways appropriate to the task and audience, including writing at length and through using maps and numerical and quantitative skills</li> <li>• Use geographical vocabulary</li> <li>• Use atlases and globes, and maps and plans at a range of scales</li> <li>• Use secondary sources of info, including aerial photos</li> <li>• Draw plans and maps at a range of scales</li> <li>• Use ICT to help in geography investigations</li> <li>• Develop decision-making skills</li> </ul>	<p><b><u>Geographical skills and fieldwork</u></b></p> <ul style="list-style-type: none"> <li>• Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied – across all areas</li> <li>• Use the eight points of a compass, four-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom in the past and present.</li> <li>• Extend to 6 figure grid references with teaching of latitude and longitude in depth.</li> <li>• Expand map skills to include non-UK countries.</li> <li>• Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies</li> </ul>
<p><b><u>Locational knowledge</u></b></p> <ul style="list-style-type: none"> <li>• Locate main countries in Europe and North or South America. Locate and name principal cities.</li> <li>• Compare 2 different regions in UK rural/urban – Derbyshire (Year 6)</li> <li>• Locate and name the main counties and cities in England.</li> <li>• Linking with History, compare land use maps of UK from past with the present.</li> <li>• Identify the position and significance of latitude/longitude and the Greenwich Meridian. Linking with science, time zones, night and day</li> </ul>	<p><b><u>Human and physical geography</u></b></p> <p>Pupils will describe and understand key aspects of:</p> <ul style="list-style-type: none"> <li>• Physical geography including coasts, rivers and the water cycle including transpiration; climate zones, biomes and vegetation belts.</li> <li>• Human geography including trade between UK, Europe and ROW</li> <li>• Fair/unfair distribution of resources (Fairtrade).</li> <li>• Physical geography including volcanoes and earthquakes.</li> <li>• Distribution of natural resources</li> </ul>
<ul style="list-style-type: none"> <li>• Pupils will be taught to extend their knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America. This will include the location and characteristics of a range of the world’s most significant human and physical features. They should develop their use of geographical</li> </ul>	<p><b><u>Place knowledge</u></b></p> <ul style="list-style-type: none"> <li>• Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North/South America</li> </ul>

**Geography Curriculum Progression**
