

**15th June 2021**

Dear Parents and Carers

I hope you are all enjoying the lovely weather we are having.

I wanted to tell you about one of our unsung heroes we have in school (apart from Mr D’Rosario—what an amazing achievement!)

Mrs Brown is our PE and Sports Leader and has arranged for the Chance to Shine cricket coach to come in to teach the Puffins cricket. She also organised a trip to Magpies hockey club yesterday for Hummingbirds and has organised for the Colour Run Mascot to come into school later this month. She recently attended a tennis teaching course in her own time and as part of the course got £250 worth of tennis equipment for the school.

She is always thinking about ways to develop our PE and Sports provision because she is passionate about giving children the opportunity to live healthy lives. So a huge THANK YOU to Mrs Brown from the children and staff; we are really grateful for everything you do for the school.

Kind regards

Simone Goddard  
Headteacher

### Colour Run

The week commencing 21st June is Get Active week hosted by Active Norfolk. On Friday 25th June all schools across South Norfolk will be getting involved with the Virtual Colour Run so children will need to come to school dressed in brightly coloured clothes, the brighter the better! We will also have the company of the Get Active Mascot to cheer everyone on!

### Summer Weather

It is so lovely to finally have some sunny weather! Please can you ensure that your child comes to school with a sun hat and water bottle and having had sun protection applied at home before arriving at school. Thank you!

### Popets

We have had a large number of children bringing Popets into school. Please may we request that children leave Popets at home and do not bring them into school. Thank you.

### Well Done!

We would like to say an enormous well done to Mr D’Rosario who walked an incredible 90 kilometres on Saturday to raise money for a little boy called Tommy. Tommy from Wroxham has cerebral palsy and the funds raised (a collective £90,397) will help fund the surgery and physiotherapy program that he needs which is not available on the NHS. Mr D’Rosario truly is shining as a light in the world!

### Year 6—Sleepover and Trip

Year 6 will be taking part in a fish and chip supper and sleepover on Friday evening followed by a day of adventures at Eaton Vale Activity Centre on Saturday. Sadly the residential trip that would usually take place has not been possible this year due to the Covid situation, however, we hope that this opportunity goes some way to making up for it. We hope that they have lots of fun and we look forward to hearing all about it!

### School Lunches

We are experiencing lots of children expecting a hot lunch from the kitchen when an order hasn’t been placed for them. Please can we emphasise the importance of booking lunches via ParentPay by **8am on Monday** morning for the week ahead. All lunches are cooked to order and as wonderful as the kitchen team are they cannot magic food out of thin air. Consequently, this puts unnecessary pressure on the kitchen team. If you are in the habit of forgetting please set a weekly reminder to log into ParentPay and book. You can also book more than one week in advance. Thank you for your understanding with this matter.

For information and guidance on how to keep your child safe online please visit the school website [www.pulhamprimaryschool.org.uk](http://www.pulhamprimaryschool.org.uk) and navigate to the Key Information tab. From here select Forms & Documents under which you will find the e-safety guidance document which will be available to download. There is also a link on the home page. Alternatively you can call into the office and ask for a paper copy.
